Cookie Policy

The website **www.guil.es** uses cookies, small data files that are created in the user's computer and that allow us to know the frequency of visits, the most selected content and the security elements that could intervene in the access control to restricted areas, as well as the showing of advertising based on predefined criteria set by GUIL and that are activated by cookies served by this company or by third parties who provide these services on behalf of GUIL.

The user has been informed and accepts the use of "Cookie" technology by GUIL, although if they wish the user can configure their navigator so that they are informed when a cookie is created or block the creation of the cookie on the hard drive. To do this the navigator instructions and manual must be consulted.

The user authorises GUIL to collect and process the information generated as a consequence of using the website www.guil.es, with the sole purpose of offering a more personalised navigation.

Responsibilities

GUIL takes no responsibility for the incorrect use of the information provided on their web pages. Nor do they take responsibility, within the legal limitations, for the lack of accuracy, integrity or updating of the data or information posted on websites that it owns.

The purpose of the links that are on the GUIL site is exclusively to inform the user of the existence of other sources of information associated with the material on the site, where they can expand on the details given on this site. GUIL is not responsible under any circumstances for the end result of clicking on said links.

GUIL is not responsible for the illegitimate use that third parties may make of the brand names, product names or trademarks that aren't owned by that entity, appearing on this website. Nor is it responsible for the integrity, veracity and legality of the content of the web links which can be accessed from this website.

Ultimately, the sole responsibility for the use made of the services, contents, links (links) and hypertext included in this website is of the user.

GUIL can modify, without prior notice, the information contained in its website, as well as its settings and appearance.

GUIL hereby undertakes TO NOT ENGAGE IN MISLEADING ADVERTISING. To these effects, misleading advertising does not include textual or numeric errors which may be found within the different sections of GUIL's website, caused as a consequence of incomplete or faulty maintenance or updating of the information contained in these sections. GUIL, in accordance with this paragraph, undertakes to correct these faults as soon as it has knowledge of them.
